

## Flat -/ side gusset bags

Who doesn't know them, whether for bread, sandwiches, sweet pastries or writing materials. Flat or gusseted bags are the packaging material for many areas.

**These bags are characterised by:**

- Made of kraft paper white or brown
- from 35 gr. to 100 gr. thickness
- Also made of recycled, FSC® or ribbed paper
- Glassine paper from 40 g makes the bags transparent and is grease-repellent
- A wide range of formats from 8.5 x13.5 cm to 30 x 59 cm
- Printing: flexo printing up to 6 colours

One of the many advantages of cheap gusseted bags is the extra packaging volume, thanks to the integrated gussets.
