

Gift bag with closure

Simple, stylish and at the same time creative, you can distribute your gifts with these bags.

The individual choice of format makes this gift bag so unique.

With a gloss or matt plastic coating, it receives optimum protection on coated paper.

Special metallic laminations give your carrier bag a noble look and become an absolute eye-catcher with an additional matching hot foil embossing.

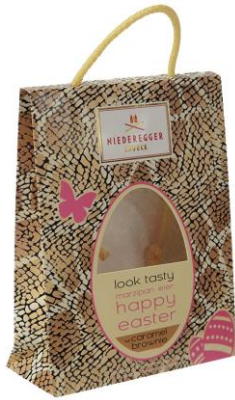

Blind embossing, relief embossing and hot-foil embossing as well as partial UV varnish bring out special parts of the paper carrier bag. All finishing options are available here.

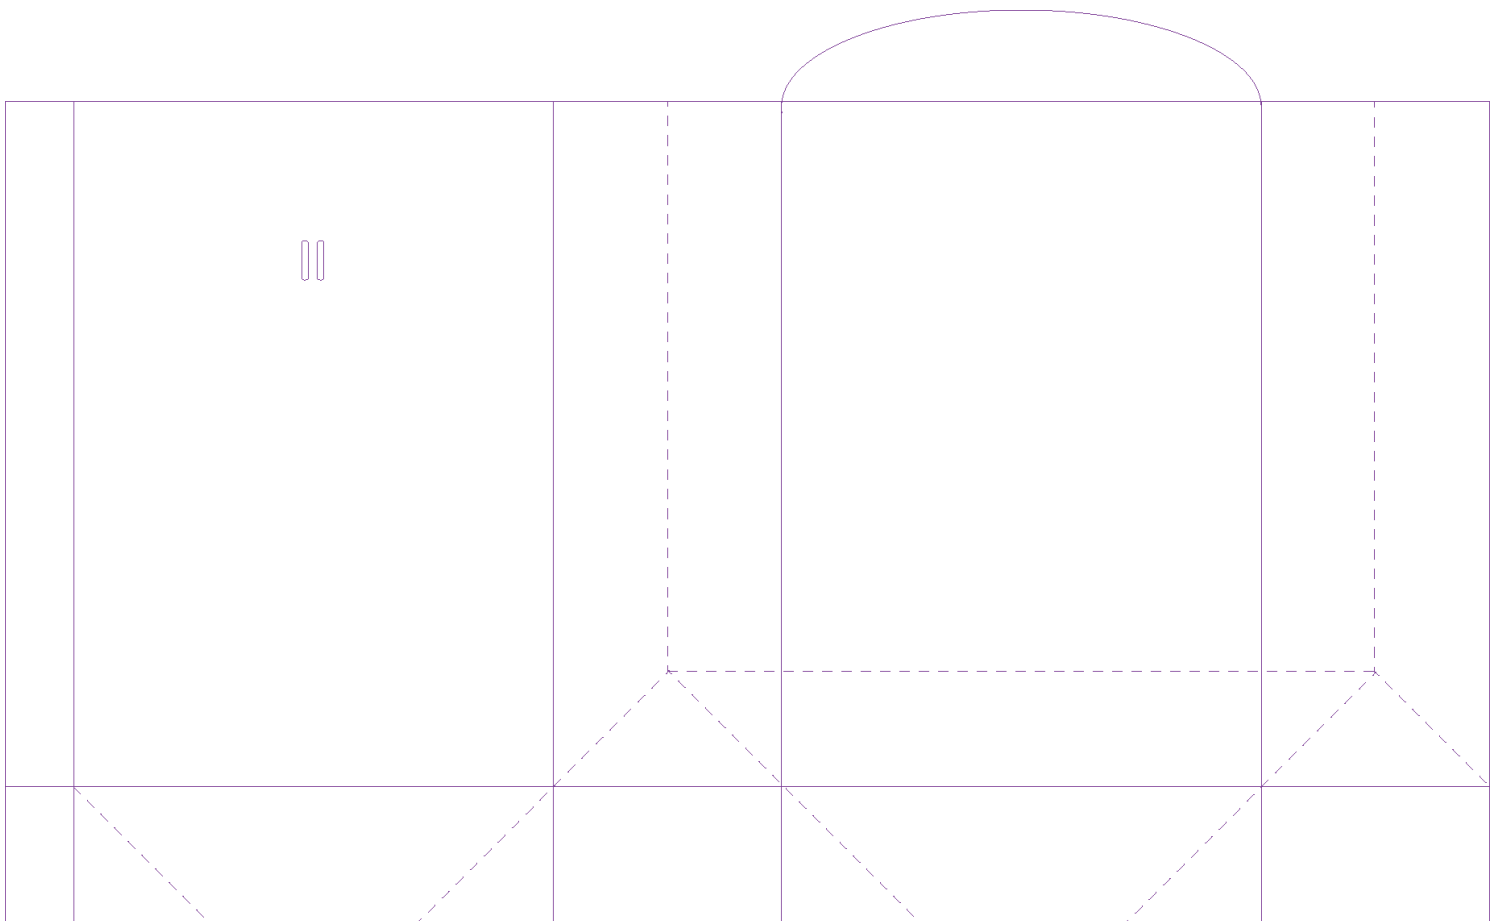

Our exclusive gift bags are characterised by the following criteria:

- 400 gr. strong, glued-in bottom board for optimum stability
 - Long-fibre kraft papers from 140 - 250 gr.
 - White, brown, ribbed, coated and also FSC® paper
 - Also possible with viewing windows to present the contents
- Various environmentally friendly and food-compliant surface finishes through matt and gloss lamination
 - Extra finishing through UV varnishing and hot foil or relief embossing
- Environmentally friendly and reach-compliant adhesives with maximum, long-lasting adhesive strength

- Various closure options such as adhesive strips, satin ribbons, ribbed ribbons
- Brilliant offset printing by CTP exposure and modern printing machines in Euroscale and Pantone
