

## Luxury drawer boxes

The ideal packaging for your high-quality products. .

A variety of formats allow for versatile use. You can get the boxes as a single and double-sided open variant, which is equipped with a decoratively placed drawstring for easy opening.

Embossed or untreated uncoated paper is popular for the outside and inside surfaces, but you can also use a gloss or matt plasticised finish to seal the surfaces.

The surface of the boxes can be further refined using a wide range of UV varnishing options, thereby underlining the exclusivity of your products.

Blind embossing, relief embossing and hot foil embossing bring out special areas.

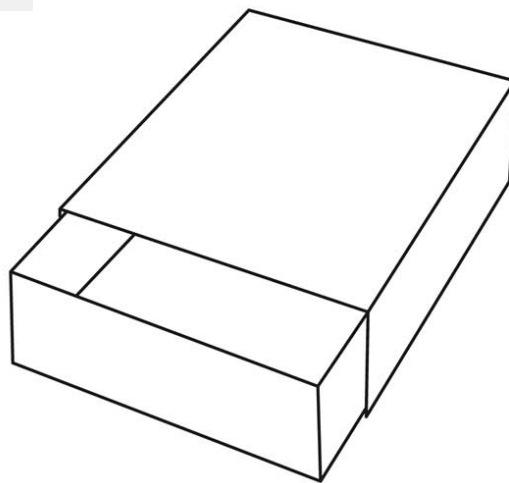

**Our exclusive drawer boxes are characterised by the following criteria:**

- 350 g fine paper to 2 mm. thick grey board for optimum stability
- With viewing windows for presenting the contents
- Various environmentally friendly and food-compliant finishes with matt and gloss lamination, especially also for fine chocolates.

- Extra finishing with UV varnishing and hot foil or relief embossing
- environmentally friendly and reach-compliant adhesives with maximum, long-lasting adhesive strength
- various additional ribbon options such as satin, leather and ribbed ribbons
- brilliant offset printing by CTP exposure and modern printing machines in Euroscale and Pantone
- various inner inserts possible
