

Non Woven Bags

Non woven carrier bags, often also called fleece bags, are bags made of foamed and pressed polypropylene.

The beauty of these bags is that the colour of the material can be freely chosen, making the bags a colourful "eye-catcher".

Our non woven carrier bags are characterised by the following criteria:

- Foamed polypropylene material
 - Material white or dyed possible
 - Thickness from 80 - 140 gr.
 - Any format possible
- Printing method: screen printing
 - Handles in different lengths or also long and short possible
 - Exterior and interior compartments
 - Hangtags
 - Various closure options, such as zip, press stud and velcro fastener
 - inserted or sewn-in bottom reinforcement
 - Bag edges sewn inwards or hemmed with piping
