

Pillow boxes

Pillow boxes owe their name to their special shape, which is reminiscent of a pillow. Pillow boxes, also known as pillow boxes, are ideal gift packaging that are delivered flat, quick and easy to assemble.

The pillow box closes easily and practically due to the tension provided by the outwardly convex shape. You don't need a plug-in closure and the packaging is still stable and easily closed.

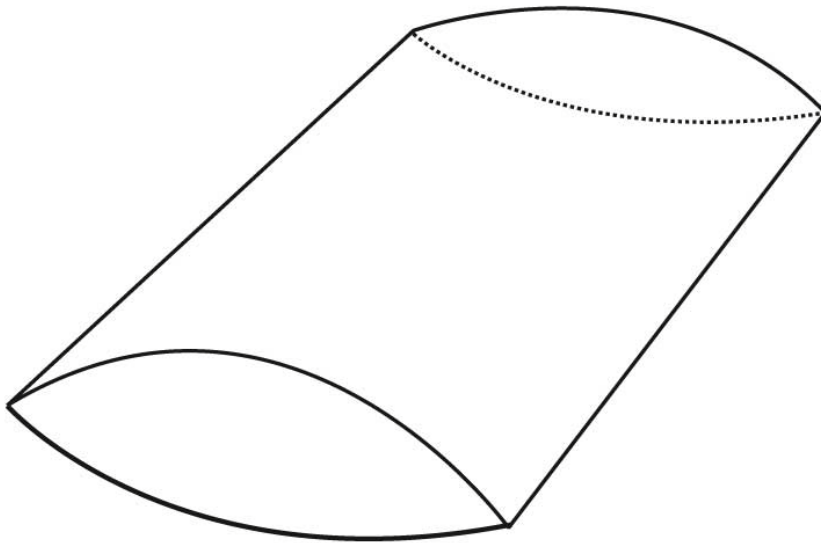

Due to the curved and elegant shape, pillow boxes are often used as gift packaging, voucher packaging, jewellery packaging, sample packaging, promotional gift packaging and packaging for give-aways.

Our cushion boxes are characterised by the following criteria:

- Kraft papers from 230 - 350 gr.
- White, brown, ribbed, coated and also FSC® paper.
- Various structure embossings
- All formats possible
- Various environmentally friendly and food compliant surface finishes by matt and gloss lamination
- Extra finishing by UV varnishing and hot foil or relief embossing
